HINDU SWAYAMSEVAK SANGH
SSV 2013 REPORT

Namaste

It gives me an immense pleasure to present to you the report for the Shibir recently held at National Level. The Shibir theme for this year was *"Celebrating 150th birth anniversary of Swami Vivekananda".* Many activities including Baudhik lectures, Movie, drama presentation, essay writing, public speaking, quiz and informative sessions on Swami Vivekananda were organized during the Shibir. With these activities, we are definitely sure that Swayamsevaks have learned a lot on the life of this great seer. Though we are not lucky enough to be living in the Vivekananda era, we are fortunate to have a fountain of his books / sayings at our disposal. Many Swayamsevaks who were unaware of Swami Ji were very inspired by his teachings.

This year's Shibir marks a new page in the history of HSS Mauritius. The arrangements of the Shibir under the guidance of Sri Sandip Paithankar Ji from scratch to the end were mainly done by the local karyakartas. This was a big challenge for the local karyakartas who worked really very hard to make this Shibir a memorable and successful one. The newly composed core committee is more than ever unified and motivated towards Sangh work and will stop not till the goal is reached. The second pravas of Dr Sapre Ji will also be written in golden letters in the history of HSS Mauritius. It was an immense honor for HSS Mauritius to have a great thinker like Dr SapreJi in our midst again this year.

Sangh in Mauritius has come a long way since its inception in 1977. If we are here today, we are standing on the shoulders of giants and on this very note I would like to pay my shraddhanjali to late Sri Madhav Banhatti Ji, first pracharak in Mauritius. Madhav Da had toiled hard and dedicated his entire life for sangh work in Mauritius. Sometimes the younger generation even envy some senior karyakartas who had the privileged to interact with this great soul. The name of Shri Banhatti has been immortalised for many more eons to come.

Sanghwork is God's work and we are fortunate to be part of HSS Mauritius. I will not hesitate to finish my writing without quoting this famous saying of Swami Vivekananda – *"The secret of religion lies not in theories but in practice, to be good and do good that is the whole of religion."*

This report has included all the very details of the recently held Shibir whereby a complete picture of the events shall be portrayed. I wish all the well-wishers of HSS Mauritius a pleasant reading.

Very Brotherly Yours

BAUDHIK REPORT

The Baudhik segments of this year's Shibir was very fruitful. Various topics related to Sangh were elaborated in front of the participants by Senior Swayamsevaks. During the Baudhik sessions the participants were inspired to learn from Param Pujya Dr Keshav Baliram Hedgewar and they were also motivated toward serving their motherland and to be a true patriot. Discipline was maintained during the Baudhik sessions and the participants were very focused to the several topics that were depicted in front of them. Some participants, who had several questions to why Bhagwa Dhwaj was the Guru of Sangh, got their answer in the Baudhik Varg.

This year again, the participants were privileged to listened to the Baudhik of Ma Dr Shri Sadanand Sapre Ji. The participants were very attentive to the Baudhik of Ma Dr Shri Sadanand Sapre as this was a lifetime opportunity for them.

The Baudhik Vibhaag innovated and the Yog Nidra session was introduced. In Yog Nidra, the participants were made to do Shavasan with soothing music for 5 minutes before the start of each Baudhik session so that they could relax their body and mind so as to grasp the Baudhik sessions to the maximum.

To celebrate the 150th Birth anniversary of Swami Vivekananda, specially this year the Baudhik Vibhaag designed a booklet and that was made available along with books on the life of Swami Vivekananda to each and every participants of the Shibir. The contents of the booklet were as follows:

The Swayamsevaks also appreciated the Shibir Geet.
